REVOLUTION IN AIR

Anest Iwata Motherson (AIM) is a joint venture between **Anest Iwata, Japan**, a world leader in oil free as well as lubricated compressors and **Samvardhana Motherson Group**, an Indian conglomerate with presence in various manufacturing sectors. Manufactured in state-of-the-art plants in India, our products are specially engineered for tropical conditions and are exported the world over.

AIM's CROWN compressors have been EXTENSIVELY TESTED in extreme conditions. You will appreciate the superior quality and value for money that our machines offer in comparison to the competition and that too with 1 Year standard warranty.

What makes us different is our belief that we grow when we help our customers succeed. We subscribe to long term relationship with clients and have a keen understanding of their processes, needs and objectives. We are innovative, flexible and committed to our customer's piece of mind.
